CABERNET SAUVIGNON

*Lamm Vineyard
Yountville 2015*

TASTING NOTES

A dense crimson in color, the 2015 One Acre Lamm Vineyard Cabernet Sauvignon from the Yountville AVA is abundant with black fruit, juicy black cherry, blackberry, and black currant and is perfectly layered with notes of oak spice, cedar, and herbs, which beautifully carry across the palate. The bright acidity and smooth textured tannins lead to a generous and elegant finish and provide the refined structure that promises remarkable things to come in the cellar.

VINEYARD - LAMM VINEYARD, YOUNTVILLE

Taking cuttings from the founding One Acre Porchview Vineyard in Oak Knoll, One Acre Founder, Dave Becker, planted the Lamm Vineyard in Yountville in 2011. The vineyard is organically and sustainably farmed. The vineyard is planted just north of the intersection of the Silverado trail and the Yountville crossroad at the base of Stags Leap, where it is exposed to both early morning and late afternoon sun. The soil is a combination of loamy sedimentary and rocky volcanic that allows the roots to go deep and deliver the earth's unique character to the vines. The vineyard spacing is tight resulting in low yields, small clusters and tiny berries with intense flavors.

VINTAGE 2015 - LESS IS MORE

The growing season got off to an early start with unseasonably warm temperatures in February and March. The drought which continued to devastate much of California had largely ended in Napa, though the winter's early end resulted in late February bud break. Cold temperatures at flowering caused uneven fruit set, further reducing yields. Notwithstanding these challenges, the 2015 vintage progressed wonderfully, resulting in an excellent, yet smaller than average, harvest.

Lamm Vineyard, Yountville AVA, Est. 2011

100% Cabernet Sauvignon Clones 191, 337, 338

Harvest Date: September 18, 2015

Alcohol: 14.5%

PH: 3.57

Total Acidity: 6.3 g/l

Oak: French, 33 Months

Bottled: June 19, 2018

Number of Cases: 93
