ONE ACRE ONE GUY ONE WINE

James Suckling

2018 WARNER'S BLEND FREDIANI VINEYARD, CALISTOGA

TASTING NOTES

The 2018 One Acre Warner's Blend is the first ever blend from any of our One Acre vineyard sites, and we made this wine as a tribute to Mike's father, wine industry pioneer, Warner Henry, who we lost in August 2020. He had a vision of making a One Acre wine from a single vineyard with Bordeaux varietals. This wine is the first production encapsulating that concept from the sustainably farmed, family-owned Frediani Vineyard in Calistoga.

Saturated dark plum in color with aromatics of black cherry, blackberry, bakers spice, blood orange, menthol, leather and cola. Luscious black fruit dominates the palate with notes of black licorice, fine tannins, refined oak, a sprinkling of ground hazelnuts, and a dash of orange zest. This wine will age beautifully for years to come and will continue to unfold with nuanced new layers as it does so. A lovely tribute to a lovely man.

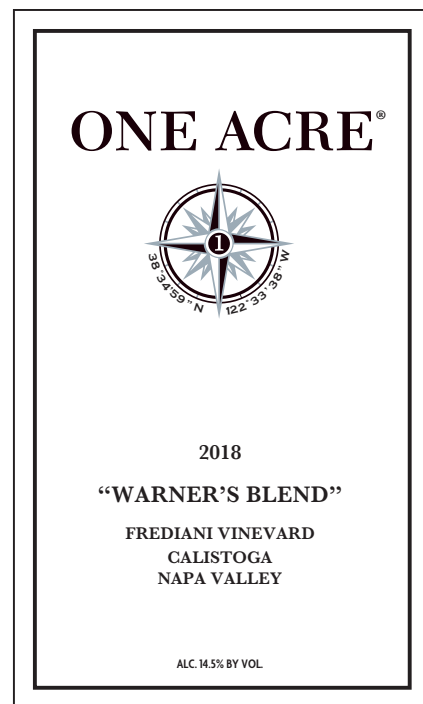

VINEYARD – FREDIANI VINEYARD, CALISTOGA AVA

The Frediani Vineyard is located just outside the town of Calistoga at the base of the Palisades on the Silverado Trail. Jim Frediani has been farming his family's vineyard, for more than 50 years since he was a boy helping his grandfather. The oldest block on the ranch dates back to the mid-1930's. The fruit for this Bordeaux-inspired blend comes from heritage vines located in the middle of the valley floor and which sit in rocky gravel and bale clay loam soil. The vineyard experiences hot days and chilly nights, a variance in temperature that produces incredibly lush, intense fruit.

VINTAGE 2018

A perfect growing season, easily the best in the last two decades. It started with abundant rainfall, followed by a mild spring that resulted in excellent flowering and plentiful and even fruit set. A summer of moderate and unhurried warmth with no major heat spikes followed by the extended fall sunshine resulted in perfect conditions to achieve full and balanced ripening.

Both varietals were picked in October under ideal weather conditions.

Vineyards	Frediani Vineyard
Appellation	100% Calistoga AVA
Harvest Date	October 4, 2018 and October 26, 2018
Varietal Composition	69% Cabernet Sauvignon, 31% Cabernet Franc
Alcohol	14.5%
pH	3.66
